

Auditor Certification Maintenance Requirements

Date: June 5, 2019

Issue#: 2019-034

Are you meeting the requirements for your auditor recertification?

Auditors are required to recertify once every three years, which means they must:

- Attend the one-day Certified Health and Safety Auditor Renewal course.
- Successfully complete a minimum of two audits or maintenance audit options within the three-year auditor certification period.

Auditor Certification Maintenance requirements are outlined in the [SAC-PRO-037 Auditor Recertification](#) procedure.

To review course dates and to apply, click [Certified Health and Safety Auditor Renewal](#).
