

CERTIFIED HEALTH AND SAFETY AUDITOR PROGRAM INTERNAL AUDITOR APPLICATION PACKAGE

Effective September 30, 2017, Enform Canada merged with Oil Sands Safety Association to become Energy Safety Canada. All references herein to “Enform Canada” shall be taken as referring to “Energy Safety Canada”

Internal (maintenance) auditors are able to perform internal audits for the company at which they are employed full time.

Conditions

NOTE:

Applications should be received two months prior to the scheduled date of the preferred Certified Health and Safety Auditor Course.

At least one of the following needs to be completed prior to registration in the Certified Health and Safety Auditor course:

- The Enform Safety Program Development course
- A certificate, diploma, or degree in Occupational Health and Safety
- A designation as a Canadian Registered Safety Professional (CRSP) or equivalent

Please email documents listed below directly to Training@EnergySafetyCanada.com with subject line "Internal Auditor Application - Your Name".

Supporting Documents

Letter of Employment

Internal Auditors must be employed full-time by the organization requiring a maintenance (Internal) auditor, (the employee may only conduct maintenance audits for his/her company for which they are currently employed). Attach a copy of a Letter of Employment confirming full-time employment on the next page.

Confirmation of COR/Audit Registration

If the organization has, or is pursuing a COR, you will be asked to upload proof on the next page of the application.

NOTE:

Applications that are not fully completed with all supporting documentation will be returned to the applicant for resubmission
