

CERTIFIED HEALTH AND SAFETY AUDITOR: EXTERNAL AUDITOR – PROFESSIONAL REFERENCE FORM (PRF)

Auditor Applicant
Name of External Auditor Applicant:

The individual named above has applied to become certified as an Energy Safety Canada Health and Safety Auditor. In order to become certified as a Health and Safety Auditor, five (5) years of work experience as a health and safety professional in the last ten (10) years is required.

The Professional Reference Form should be completed by individuals who have acted in a supervisory capacity over the applicant or by the Human Resources department.

In the case of consultants, the Professional Reference Forms must be completed by enough clients to demonstrate full-time employment as a health and safety professional for five (5) of the last Ten (10) years.

This Professional Reference Form that you have been asked to complete will assist Energy Safety Canada in evaluating the suitability of the applicant's professional experience.

We will contact you by email or phone in order to arrange a mutually acceptable timeframe to call you; in order to discuss this reference.
