

TAQA North

Safety Culture Enhancement

Safety Culture Enhancement

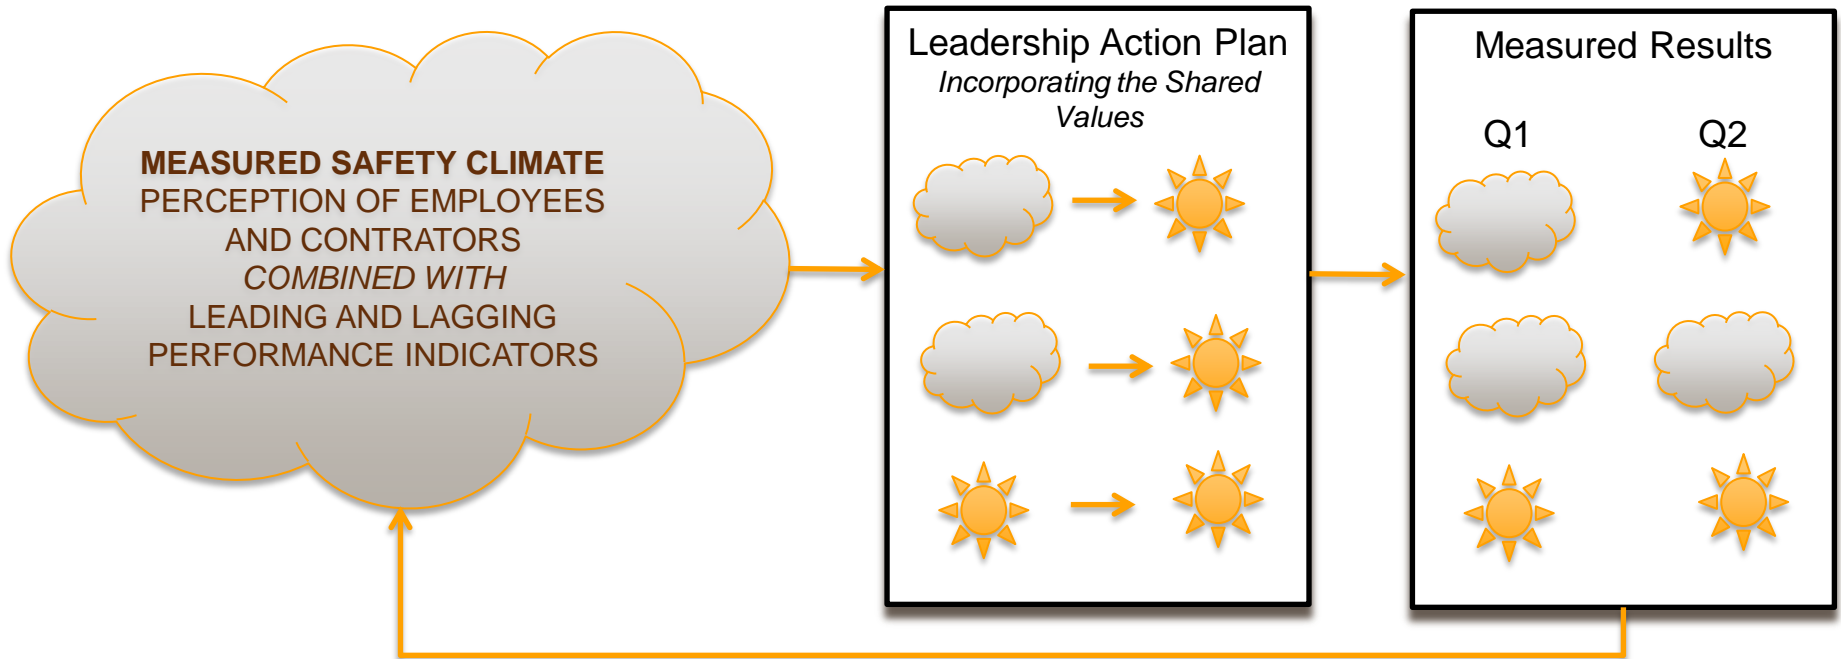

Results through Values

- Powerfully align people through shared values
- Takes Hard Work, Courage, Caring and Trust
- Leaders have to be the example
- Values must be consistently applied

What did we do

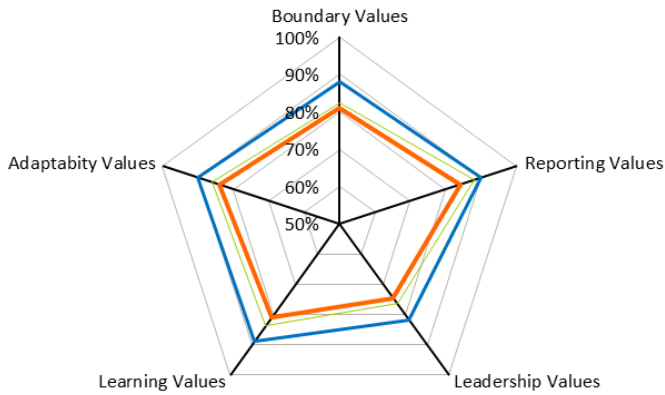

Safety culture enhancement model

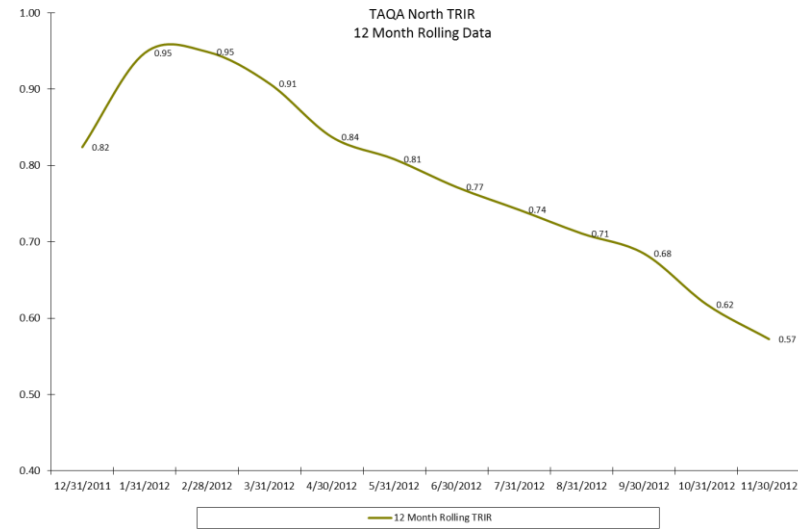

What did we achieve

Powerfully Aligned Organization

- Step change in safety culture of the organization

- 12 month rolling TRIR trend for 2012

- Great examples of people courageously living TAQA’s safety values

James Makowecki, Banff, May 2013, Safety Culture Enhancement
