

## HEALTH AND SAFETY COMMITTEES

### Are you familiar with the legislated requirements of Health and Safety Committees?

Do you know:

- How to determine if you need a worksite HSE committee or HSE representative?
- What the mandatory training requirements are?
- The definition and purpose of a work site HSE committee?
- What workers and employers should know?

Answers to these questions and more can be found in [this bulletin](#) from Energy Safety Canada. You may also find it helpful to review the [2019 Audit Protocol](#) for this area.
