SIGNATURES

The information furnished on this page is for the purpose of obtaining credit from Energy Safety Canada. Each signatory below represents and confirms that such person has authority to bind the applicant and company and that the information provided in this application is true and correct. The applicant company accepts and agrees that: (a) payment of accounts approved for credit are due upon registration for course and on date of invoice for purchases of books and materials; (b) Energy Safety Canada has the right to charge interest on accounts outstanding after 30 days and at the date of this application the interest rate chargeable by Energy Safety Canada has been set at 18% per annum compounded monthly and calculated daily (or the maximum rate chargeable in the province in which the transaction is conducted, whichever is lesser); (c) Energy Safety Canada has reserved the right to amend its credit terms at any time; and (d) in addition to charging interest and taking any steps it deems fit for collection of outstanding and overdue accounts, Energy Safety Canada has reserved the right to suspend any and all future registrations and purchases by the applicant company should any of its accounts be outstanding or overdue at any time.
