

COMING TO A WORKSITE NEAR YOU: The Energy Safety Canada certificate

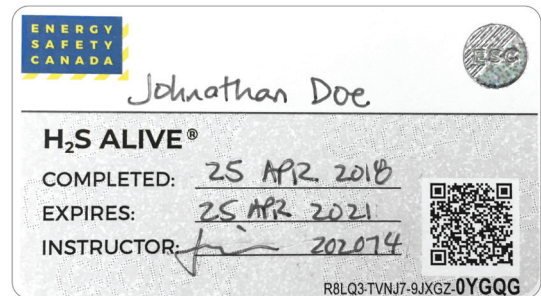

Enform and Oil Sands Safety Association (OSSA) have merged to become Energy Safety Canada.

You'll begin seeing Energy Safety Canada-branded certificates, but Enform and OSSA certificates are still recognized.

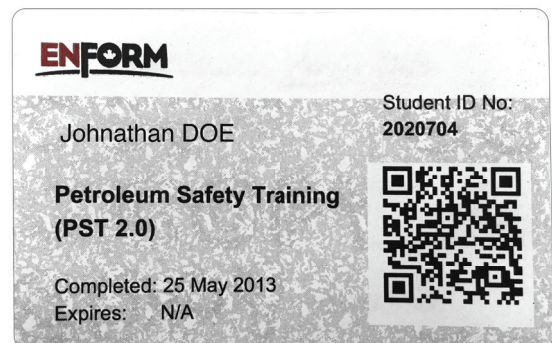

The new Energy Safety Canada certificate has several security features:

- Unique certificate number
- QR code
- Embossed foil icon
- Paper with a built-in security feature

To validate Energy Safety Canada, Enform or OSSA certificates: call 1.800.667.5557 or visit EnergySafetyCanada.com
